

Eric:

In the time that we have worked with PutterPowerMedia, we have noticed increased exposure in areas that we were previously unable to reach. Putter's contact list and motorsports networking has even allowed us to garner Google hits internationally, in addition to a domestic increase.

As a small, quickly-growing, multi-channel merchant, it is important for us to attract the attention of specific target groups within the confines of a very limited budget. PutterPowerMedia has allowed us to recognize these goals by providing reasonably priced services with an attention to detail and knowledge of the motorcycle world unmatched by anyone we have worked with to date.

Best Regards,
